Consultation on the numbering format for Bovine EID

CONSULTATION RESPONSE FORM

The Department of Agriculture, Environment and Rural Affairs (DAERA) is seeking views on its proposed approach to the implementation of the European Union Commission Implementing Regulation (EU) 2017/949 which sets out the configuration of the identification code for bovine animals in Northern Ireland.

Question 1.

Of the two viable options listed above, which is your preference?

- a) Option One – Removal of Check Digit
- b) Option Two – Modification of Herd Number

Question 2.

Is there another viable option you can think of which we haven't already identified?

You can use the box below to provide additional information to support your response.

A large, empty rectangular box with a thin black border, intended for providing additional information to support the response to the question above.

DAERA welcomes the input from stakeholders interested in Bovine EID. If you would like to submit other comments for consideration by DAERA which are separate to the issues set out in Questions 1 to 2, please enter below.
